

IMPORTANCE OF MAINTAINING UNIFORMS

Roma Cleaning takes pride in maintaining the airport. Also, Roma provides uniforms to all employees. These uniforms identify Roma to the public. Therefore, those uniforms must be kept clean and have no additional items on them including, but not limited to, buttons, badges, flowers, patches, stickers or any other items. There are no exceptions to the rule. Employees who violate the rule will be subject to discipline up to and including discharge.
